

[Narrator] When you book an appointment  
at your local Miracle-Ear,  
you've taken the first step  
to where a life filled with clearer sounds.  
On the day of your appointment,  
you'll meet your certified hearing care professional.  
It's important to bring along a spouse, partner  
or friend who knows your hearing well.  
To get started,  
you'll have a discussion of your hearing health history  
and your hearing goals.  
Your hearing care professional  
will also give you a hearing evaluation.  
If you have a hearing loss that's treatable  
with hearing aids  
your hearing care professional will help you  
find the devices that fit your lifestyle and hearing needs.  
Contact your neighborhood Miracle-Ear store  
if you have any questions.
