

HEAR AGAIN

## Hear Again – Recycling Program

The Miracle-Ear Foundation is proud to introduce the Hear Again recycling program. The Foundation will accept donated Miracle-Ear hearing aids to recycle and/or refurbish into our Gift of Sound program. This program is not part of any trade-up or trade-in program; it is strictly for our customers to donate an old/no longer in use Miracle-Ear hearing aid for recycling or a possible reconditioning for Foundation use. Donations of hearing aids must be done at a Miracle-Ear Store. Donations may be tax-deductible\* and a letter acknowledging their contribution will be sent to the donor.
